Jessica Hassis, PT, CLT  
Director of Rehabilitation / Therapy  
Jones-Harrison Residence

Dear Ms. Hassis:

On behalf of the many Ukrainians in need, Minnesota's Ukrainian-American community wishes to extend our sincere gratitude for your generous donation of wheelchairs, crutches, walkers, canes, and shower chairs. These supportive resources are impactful for Ukrainians who will rely on them to aid in their recovery or as tools to enhance mobility following injury.

Our team at StandWithUkraineMN was awestruck not only by your generosity but by your indomitable spirit and leadership in mobilizing your colleagues and staff to amplify your impact. With allies like yourself and the Jones-Harrison Residence, Ukraine and its people will overcome their aggressors and the associated trials before them.

Thank you very much for your support!

With gratitude:

Alla Khan, MD
